

Content Writer Onboarding Checklist

WILDFIRE
- CONCEPTS -

- 
- Give them access to their new email address.
 - Send them an invite to the time tracking software you're using.
 - Invite them to use the project management software you like.
 - Get them to sign up for any team communication platform you're using.
 - Send them an email with a list of who's who in your company and how to contact their team members.
 - Check that they correctly installed the time tracking software.
 - Send out an email to your entire team welcoming your new staff member.
 - Send them an onboarding checklist so they could also check if everything is covered.
 - Discuss your expectations for the role and theirs for the job.
 - Tell them about your business objectives and where they fit in.
 - Email them links to any useful documents they should check out before getting to work.
 - Instruct them what to do when they have a question and how to ask for help.
 - Talk to them about your company's values and how to treat other on-site or virtual staff members.
 - Discuss what to do when their internet is down and can't work.
 - Tell them about any remote work perks you're offering.
 - Create a new WordPress account for them and email them their login credentials.
- 

- 
- Walk them through the process of creating a new blog post on your website.
 - Discuss your content needs and content marketing strategy.
 - Instruct them on how to send you new content for review.
 - Teach them to use an SEO tool to optimise the content they are creating.
 - Tell them what is your preferred spelling (American English, British English).
 - Share with them any content guidelines you want them to take into account (tone, voice, style).
 - Instruct them on where to look for photos for visuals or give them your stock photo website credentials.
 - Give them access to any image editing tools you use for creating content (Canva, PicMonkey, Photoshop).
 - Give them access to your keyword research tool.
 - Instruct them how to work with other staff members for getting the visuals they need.
 - Tell them where and how to save the content they are producing.
 - Get them to track the performance of each new piece of content they're publishing.
 - Instruct them how to pitch new content ideas.
 - Discuss what they should expect next: tasks and objectives for the next week and the next month.
 - Send them an initial to-do list and get them to reach out to you when they finished their first task.
 - Review their work and provide feedback.
-
